Berrien County Michigan Hunting Spectacular!!!

\$469,000 / 101.88+/- Acres

About This Property

Are you looking for a great hunting parcel in Southwest Michigan, look no further! The property was recently logged, and the undergrowth that will generate the next few years will create excellent wildlife habitat. Located less than 2 hours from Chicago, and about 20-30 minutes from Niles-South Bend, you won't find a better price for acreage of this size in the area. Trails roll throughout the property from the recent logging to help create access throughout it. There are 2 cleared areas for food plot locations. There is also a good building site on the property, but it would require some driveway work, and electric back to the building location. The property is located across the road from 2246 E. Glendora Rd., Buchanan, MI 49107. No sign on the property. The open gated driveway across from the above address is how you access the property. The property was previously surveyed, and a copy is on file at the listing office. Take a look! Seller will look at all reasonable offers, and will consider land contract terms.
